Work History

ATLANTIC AQUA FARMS,
OYSTER BED PRINCE EDWARD ISLAND
Aquaculture Crewman, [2015-2022]

Worked on an oyster farm, primarily on a skiff, engaging in physically demanding outdoor labor.

Collaborated with a team to manage daily tasks and responsibilities related to aquaculture production.

PIATTO PIZZERIA

Cook/Kitchen Manager [2022]

Food Preparation: Prepare and cook pizzas, ensuring consistency and quality.
Kitchen Management: Oversee kitchen organization, staff supervision, and inventory control.

Art & Design

A lifelong visual artist and songwriter with a strong passion for creating album art and Character Design. Dabbled in animation, creating cartoons. Self-study and practice in video game development using RPG Maker in Junior High. Currently studying to develop games with Godot/GD Script & use Javascript for application development and modification. Designed a personal website and logo for self-promotion.

I encourage any potential employers and/or team members to review my portfolio at: <https://mckbdsgn.github.io/portfolio/>

Thank you in advance for any and all consideration!
